# Gatton

"rainbow", "Other's Melodies - Demo", & "They Just Exist"

**Gatton is a 25 year old singer/songwriters based in Nashville, Tennessee. In everything he creates, he longs to portray the option we all have to cultivate art out of every scar. His lyrics often highlight the harmonious coexistence of life's juxtaposing nature: the bravery and the fear, the love and the loss, the beauty and the pain and the beginnings and the ends. To embrace the dichotomy of life is to live wholeheartedly. With his debut album on the horizon this year, he is eager to continue to spread this message globally.**

In 2022 Gatton's catalog experienced around an 1100% increase, amassing over 50 million streams in a 12 month period.

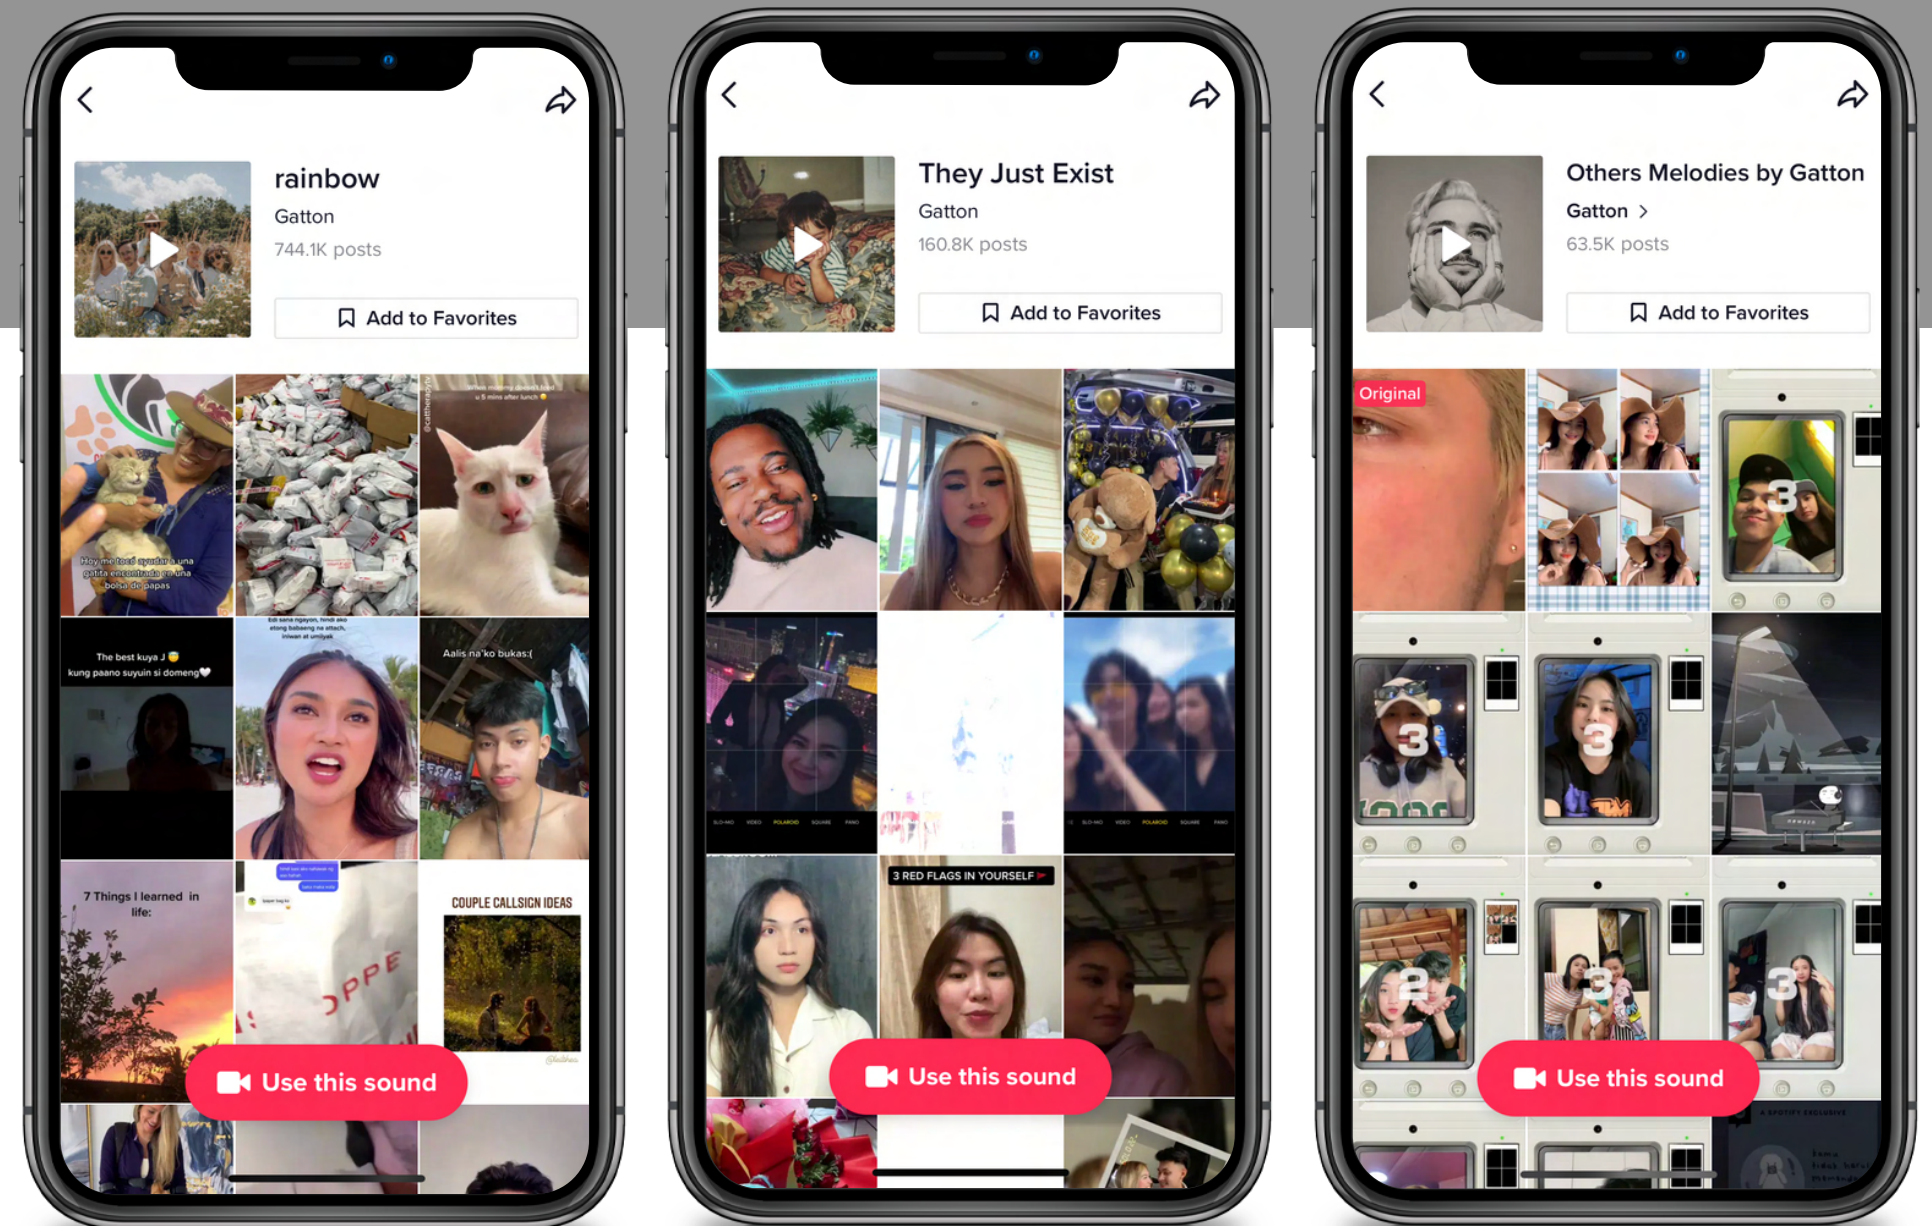

# Communities & Socials

Highlighted by his singles "rainbow", "Other's Melodies – Demo", & "They Just Exist", Gatton's music has been heavily championed by the nature, photography, inspiration and live performance communities. The support has resulted in over a million user created videos on TikTok, a platform where Gatton is translating his rapidly growing following into dedicated listeners and fans.
